WHO WE ARE

NEAT

We believe that a DJ should be heard and not seen. But - since we are not invisible - when you see us we will be dressed for the occasion and our setup and equipment will follow suit. (Pun intended)

5 Years experience in the wedding industry has taught us that there are no shortcuts. Hard work and a serving attitude goes a long way.

SERVING

GREAT SONGS

Tried and tested playlists ensure that the dance floor is always pumping. Our Dj's are also equiped with music streaming services for those special requests.
